Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Mr. McCrosky inquired about claim 28 and whether it was allowable or not. the examiner responded by saying that claim 28 was noted as being rejected on the Office Action Summary sheet of the Office Action dated 09/24/2004. The examiner further stated that on page 3, paragraph 3 of the same action, the limitaitons of claim 28 were addressed, albeit word-for-word, in the rejection and that it was a typographical error that claim 28 was not listed in the preamble of the rejection. Note: Applicant also has noted that the limitations of claim 28 are similar to those of claim 8 which is addressed in the same rejection. .
